

## Stay the Day Courtesy Parking Pass

This Stay the Day courtesy pass program is designed to encourage visitors to come to Downtown Bay City and spend part or all of the day shopping, dining and enjoying our special downtown. Our goal is to provide an option for free parking that is simple and welcoming, and allows unlimited parking in convenient parking spots throughout Downtown.

### Here's how it works!

1. Look for the **Stay The Day** signs in participating business's windows and/or at their inside counters.
2. Go into one of those designated shops and restaurants and ask for a *Stay the Day* pass. The business will fill in the information required on the pass which including that day's date.
3. Return to your vehicle and hang the pass from the rearview mirror, reading out, so that it can be clearly seen by our Downtown Parking Ambassadors.
4. When you leave, just simply throw the pass away. Each pass is good for the single day written on the front. It does not need to be returned.

Please Remember: For your next visit, get a new dated pass from one of the following businesses.

### Current Participating Businesses
