LEAP News Nugget - Working Together

Did you know that "**LEAP**" (the "Lutheran Education Advancement Plan Alliance") is a joint endeavor of your church and school together with twenty-one other Lutheran Church - Missouri Synod churches and schools in the "Great Lakes Bay Region" of Michigan? Did you know that by "working together," the individual churches and schools of **LEAP** and some of their representatives are demonstrating faithfulness to the **LEAP** purpose - "Advancing Christ Centered Education through Collaboration among Lutheran Churches and Schools"? There is so much that is good about our Lutheran churches and schools that are "linked together" in a number of ways, including through **LEAP** . . . linked not only by common geographic location, not only by common church denomination, and not only by rich history in our churches and schools, but we are particularly blessed to be linked in providing quality Christian education in the Name of Jesus in our schools!

Watch upcoming *LEAP* News Nugget pieces for descriptions of some new ways in which churches and schools of *LEAP* may be blessed in the immediate future through promising collaboration initiatives!
